CHELTENHAM 3192

Dear Bernard,

Thank you for the excellent job carried out by your company, en tout cas, at our school. The area has been considerably enhanced and is now a very attractive playing area.

We appreciated your professional attitude and willingness to be available to our building committee to answer their queries.

Your workmen were extremely professional, obliging and completed the task very well.

I have no hesitation in recommending your company.

Yours sincerely,

Elizabeth Aitchison
Principal
