Dear Bernard,

I am very happy to recommend en tout cas following the successful installation of our new eco-turf field.

We now have an oval that can be used all year round. The children are delighted with their new playing surface and we have received many comments from residents on how wonderful it looks.

The crew at en tout cas were wonderful to deal with. The oval was installed within the Christmas holiday break resulting in no disruption to the school routine.

I am very happy to recommend en tout cas for their product and the professionalism of their service.

Yours Sincerely,

Michael Hanney

Principal
