Subject: Thank You

Good evening Bernard,

I thought I would drop you a quick note to thank you and your team for the work you have done at my home.

Since we meet you and your company has delivered on everything you committed to, rain hail or shine!! To do the work you have done to the standard and timeframe you have done is a credit to your business. The communication was first class, which gave me the peace of mind that the job was on track.

Finally, for the first time in my career I purchased a gift for a tradesman to share between your workers. They are a great bunch of people and you should be proud of them and their work. Even my painter commented on their work ethics.

Keep well, an thank you again.

Regards,

David Wright
