Re: Tennis Court Conversion at  
42 Finlayson Ave., Mt. Martha.

Dear Cameron,

I am delighted with the new court, and I would particularly like to thank you for your helpful advice, and organization of the construction. It was great to have the court ready for the long weekend, and family and friends staying with us at the time all enjoyed playing on it.

I would also like to thank all those who worked on the court, and to commend both the friendly attitude of those I met, and their concern for a quality end product. It seemed to me that there was a real team spirit amongst all those involved. I also very much appreciated Greg's efforts last Friday in connecting up the drainage.

Once again my thanks to all those who contributed to a very successful court conversion from my standpoint.

Kind Regards

Graeme Thomson
